This book was the inspiration behind the [video](#), and book, **THE SECRET**. Look at the WPA website for a short version of the video.

Those of you involved in a movement to bring greater freedom world wide will do best to consider the lessons of this book, because many of you will find that **FINANCIAL FREEDOM** for as many of you as possible will greatly accelerate your effectiveness in the **FREEDOM movement**. You will have more hours, and energy, to distribute flyers and DVD's, go on radio programs, and participate in demonstrations and political activities. Additionally, with more money, you will be required to invest much less time for each activity. Imagine going to a secretarial service to duplicate a DVD and have **THEM** mail a quantity. Compare the time you, individually, would take copying, inserting them in envelopes, and handing them out one by one. Consider how much more money you will earn being self employed, than working for someone else.

To a great extent the war the "elite" have waged upon the people is an economic war, but you can make more efficient use of your time, and bring in far more money into your own personal life. This will offset the effect of dollar devaluation, and empower you to more efficiently, and powerfully, help make the changes that will stop the "elite's" stronghold on humanity.

We have made considerable additions, and changes, to our writing about **SEXUAL FREEDOM**, The Women's Liberation Movement, and the climate change-overpopulation myths. Click at [this link](#) for the latest update. Included is information about the **U.N. Child Sex Slave** activity. We tell of cults that worship the U.N. and its tyrannical, anti-life, programs.
